

CADILLAC GRAVEYARD Oatmeal stout

6.4% alc./vol. 30 IBUS

Limited Edition Release

- Rooted in basement brewing with his Gramps and bubbling, thick university experiments in zymurgy, our founder, Peter Chiodo, realized his epic vision of craft brewing with the Flying Monkeys in 2009.
- The Flying Monkeys' Mission: Brew Fearlessly. And make beers we love.
- Challenge Normal, because doing it "the way everyone else does it" is just plain Weird.
- Besides love, we use all kinds of other natural ingredients in our beers. Anything fresh and inspiring floating around at brew time is fair game.

Why Serve Craft Beer?

- From higher margins to more loyal customers, serving craft beer improves your bottom line.
- On average, Craft Beer Drinkers have a 36% higher bill than other beer-drinking patrons.
- Fresh, local Flying Monkeys craft beer costs 35% less than import macro beer but lets you charge the same per tastier pint.

Style -- A classic style, this Oatmeal Stout evokes echoes of The Boss singing, "Cadillac, Cadillac --Long and dark shiny and black." Inky dark with hints of brown, this round-bodied stout "rides just like a little bit of heaven here on earth."

Taste -- The nutty, earthy flavours of oats rounded with pale and chocolate malt combine for a light cereal sweetness in this balanced but more malt forward brew finishing with roasty hints of coffee. Mid-boil Chinook hops add a North American gloss of rich resin creating a pine-y bouquet better than new car smell.

Drinkers - Great for craft beer lovers who crave darker, richer beers in Fall and Winter months, but don't need super-high ABVs. Recommended for established craft beer supporters and inquisitive, adventurous patrons.

Serve With - Ideal for serving with all sorts of autumnal meals: roasted root vegetables, pork, slow-braised beef stews or chili. When dinner's over, oatmeal stouts are a perfect stand-in for coffee alongside dessert.
